Dear Ms. Spiritoso,

Thanks for talking with me about your request.

We discussed that you are interested in all media concerning the listed facilities.

Concerning the 1802 Nueces Bay address in Corpus Christi, EPA will search and provide records for what is commonly referred to as the "East Refinery". If later you want the "West" refinery, you need to put in a new request.

We also discussed that we will search and provide only public information. You already have the consent decree related to the refineries in your request.

May you please confirm with a reply email?

Best regards,

Janet Adams
